

# BTE Theatre School

## IN-PERSON INSTRUCTION GUIDELINES:

The CDC now assigns a color code for each county's COVID-19 Community Level, which in turn indicates whether masks are required for indoor spaces: **Green (Low)**, **Yellow (Medium)**, and **Red (High)**. Individuals in counties designated as Red should wear masks indoors. Individuals in counties with Yellow or Green levels may choose to wear a mask, but are not required to do so. Currently, the county is shown in the yellow classification, indicating that masks are not required for indoor spaces.

- ❖ As long as Columbia County remains in the low or medium-risk category, masks are recommended, but will not be required in the our theatre school space.

If at any time Columbia County's COVID-19 Community Level rises above Yellow, masking will be required in all spaces inside the church.

- ❖ Individuals may continue to wear a mask if they feel more comfortable doing so.
- ❖ Students will be signed in by a parent, guardian, or approved adult.
- ❖ Temperature checks before each lesson.  
*These will be done outside of the theatre school doors, as best to prevent spread should someone have a fever.*
- ❖ Hand sanitizer will be used after the temperature check has been implemented.
- ❖ Any student feeling unwell or experience any symptoms of illness will be asked to be picked up early.

Should your child be sick, please leave them home for the day. Email the Education Director and further discussion will be had.

*Should you have any questions regarding the guidelines, please email
